

Class 10 Welcome Letter

Communication is the key!

Communication is extremely important, and I regularly post on the school website, Facebook and Showbie, so you can keep up-dated with class life!

If you need to contact me, please contact parents@fulwoodcadley.lancs.sch.uk or if it is a matter which is urgent or needs a verbal discussion, please contact the school office on **01772 717087** and I'll call you back as soon as possible.

Key Information

- In Class 10, it is important we begin to lead by example and set high expectations in relation to behaviour and standards of uniform. Please ensure your child comes to school in correct uniform or PE kit on the correct days. If you have any problems, please let me know and I will support you to resolve the issue.
- The school door will open at **8:40am** for a staggered entry into school and will close at **8:50am. Toast will be available to purchase during this time.** Whole School finishes for **3:20pm.**
- Attendance and punctuality are extremely important. Please ensure your child is on time each day.
- Earrings and jewellery are not allowed in school as they are a health and safety hazard.

Class 10 Team

Hello and a very warm welcome to class 10! Firstly, I just want to say how excited I am to be teaching your amazing children who I have previously taught. I am hoping that this year will be a transformative year for class 10 as we develop on skills taught in previous years and grow.

Mr Corlett – Class Teacher

Miss Milnes – Class Teaching Assistant

Please regularly refer to the school website class page for updates, class timetable and yearly curriculum subject overview.

Reading

In class 10, it is vital that your child is listened to every night for about 10 mins.

To support this, the class will have a reading challenge in class that will aim to encourage the children to read at home. Prizes will be awarded to the child/ren who read the most at home.

Water Bottles

Please make sure your child has a water bottle to keep in school. It gets very hot in our classroom! These need to be taken home each day and washed, so that water is fresh.

Water is only permitted in class.

Physical Education

So like the previous year children will come into school wearing their PE kits in order to maximise the time children have in each PE lesson. So from September your child will need to come into school wearing their PE kits which consists of:

- Navy Hoodie with school badge
- White crew neck T-Shirt with school badge
- Navy blue jogging /tracksuit bottoms
- Navy shorts (only if warm enough)
- Trainers (that you don't mind getting dirty)
- No jewellery or large watches to be worn
- Class 10 PE days are:

Thursday and Friday

Reading/ Home Learning

As this is an important year for our Year 6's, they will have access to SATs companion, which is vital in supporting them with their preparation for SAT's.

As part of our learning and communication, activities will be set primarily on **SATs companion**. The children will be informed and it is vital that they regularly check this app/website, as this will feed into our learning in school. Once set, the children have one week to complete the activity. Please check this daily.

All children will be well prepared within school to access this learning at home. This includes bringing home a password sheet with all of their relevant passwords on. Each week, there is an expectation that children access **TT Rock Stars**, practise their **spellings**, **read regularly** and complete their **arithmetic** homework. An optional learning menu will also be sent out each half term, linked to our topic. Homework Club is on Monday and Wednesday lunchtime, 12:00 – 12:30pm. Please encourage your child to attend if they are struggling to complete tasks at home.
