

BREAKFAST CLUB

At Cadley Kids Club we pride ourselves in delivering outstanding childcare for all of our families attached to the school.

Cadley Kids club is currently run within the school building while we await the opening of our new building on school grounds.

The club opens from 7.30 from the school hall where the children can relax and enjoy a yummy Breakfast. Children have the chance to play freely with their friends, take part in a guided activity or simply relax before the school day starts. The children leave the club with a playworker and go straight to class at 8.50am.
