Step into Spring!

All the staff and trustees of Cadley Kids Club would like to wish all our families a Happy New Year.

The fun begins

2025 is here! The children have settled back into club with no issues. Here at Cadley Kids Club we have many exciting activities and adventures for your child to enjoy and develop. Our Step into Quality mark is now in its final stages and Cadley Kids Club is hoping to receive the award in recognition of the amazing provision we provide to our school community.

Key Workers

If your child is in reception they have now been assigned a member of the team as a Key Worker. Over the next school year, we will observe and record their milestones and achievements.

PGL Week

Unfortunately, if your child attends club and is going to PGL, you will still be charged for holding your place at Cadley Kids Club.

Parent Pay

All fees for the club must be paid at least one month in advance

and through Parent Pay. Please contact the Clubs Business Manager for further information or to set up an account.

Arrive by half 5

We are currently experiencing a number of late pick ups. Fines will be issued for lateness and persistent lateness will result in your child's place being withdrawn. It is very important that you arrive before 5.30pm as the club's insurance is invalid after this time.

Meet the Staff

Mrs Horrocks—Breakfast Club coordinator.

Miss Jackson—After School Club coordinator.

Miss Tattler—Deputy coordinator.

Miss Lafferty—play worker.

Mrs Singh—play worker.

Mrs Critchley—play worker.

Mrs Master—play worker.

Nut Free Club

Please remember we are now a nut free club and food from outside cannot be consumed on the premises due to a number of our children with severe nut allergies. The club has a healthy variety of nut free options for your children to enjoy. All staff on site have been trained in dealing with an Anaphylactic reaction.

Gate Times

Please note the gate times have changed. They will be open from 7.30-8am and 4.15-5.30pm. If you arrive any other time, please use the pedestrian gate.
