

# Our Vision

*‘Wish it.   
Dream it.   
Do it.    
Be Unique’*

## DIVERSITY

At Fulwood and Cadley we are a diverse and multi-cultural community that promotes morals, manners and respect.

## NURTURE

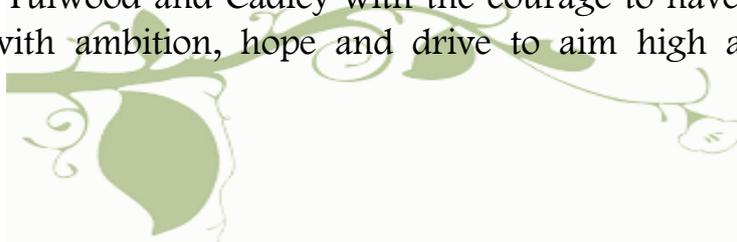

Teachers are ambitious role models, who create a nurturing haven, where all the children feel safe, happy and able to develop real life skills. Within an inclusive environment, pupils, regardless of age, gender, race, religion, sexual orientation, social/home background or behaviour, are enabled to flourish and shine, this is underpinned by the nine protected characteristics.

## FEARLESS

Our children are confident, courageous, fearless learners who, through our creative and inspiring curriculum, are enriched with opportunities to develop their skills: socially, emotionally and academically. Enriched learning experiences develop real life skills, technological expertise and emotional intelligence, which are underpinned with the promotion of a positive-growth mind-set throughout the curriculum and beyond. Pupils are resilient, determined, independent and show perseverance to overcome any challenge now and in the future.

## ASPIRATION

Children leave Fulwood and Cadley with the courage to have aspirations for their future, with ambition, hope and drive to aim high and value their uniqueness!
