

Fulwood and Cadley Primary School

Wish it, Dream it, Do it, Be Unique.

Homework Policy

Our Vision

At Fulwood and Cadley Primary School, we believe that homework supports children to become confident, independent learners. It provides opportunities to practise and consolidate learning, develop key skills and build positive learning habits. We value the support of our families in helping children to achieve their very best.

Our Aims

- To reinforce and consolidate learning from school.
- To develop independence, responsibility and perseverance.
- To encourage a love of reading and learning.
- To support children to build fluency in key skills, particularly early reading, spelling and times tables.

Our Expectations

Homework will be set **every Friday** and is due back the **following Friday**.

The expectations differ slightly between EYFS/KS1 and KS2 to ensure tasks are age-appropriate and meaningful.

Support for All Learners

Some children may not yet be accessing their year group expectations. In these cases, adapted homework will be provided (for example, Year 1 or Year 2 maths tasks for children in KS2). Teachers will communicate any personalised arrangements as needed.

Roles and Responsibilities

School will: set purposeful homework, provide clear instructions and support children where needed.

Parents/carers will: encourage and support their child to complete homework, providing a quiet space and celebrating their efforts.

Children will: take pride in their work, complete homework to the best of their ability and hand it in on time.

Monitoring and Feedback

Homework will be checked weekly and acknowledged by the class teacher. Feedback will be given where appropriate.

Support at Home

If you do not have access to a device or the internet at home, please let us know and we will do our best to support you.

"Working together to help every child succeed."

Practice at home | Build confidence | Achieve together
