The combined total weekly cost is payable in advance either through the online payment system, ParentPay (ParentPay.com) or via a recognised employer or government voucher scheme. Please be aware that if you pay by voucher scheme there will be a delay before it hits your account due to bank statement timings. The club do not accept cash or cheques. The club prefers that all accounts are paid a month in advance but if this is not possible (for example if you get paid weekly or fortnightly) then you can pay weekly as long as you pay in advance before your children attend. You can pay in larger blocks if you wish such as half termly or termly. You will not get an invoice from the club you just need to work out how many weeks you are paying for and pay that amount. **You will be charged for the set days you have booked for the term even if your child/ children do not attend due to absence or sickness.**
